

Morgado Cellars

Morgado Cellars is a boutique winery crafting stunningly exquisite wines from special vineyards reaching from Santa Barbara to Napa. We believe in growers who have passion and personal pride in what they do; from the dirt to the vine. The grapes we buy are grown and farmed by people who believe in quality above all else. All of the vineyards that we purchase our grapes from are sustainable farmed.

2016 CABERNET SAUVIGNON NAPA VALLEY

VINEYARD:

Atlas peak is known for big structured, dynamic and complex wines. The Edcora Vineyard with it's rocky hillsides and high elevation, provide the perfect environment for these vines to produce tiny cluster of concentrated fruit. 50% of the grapes in the Morgado Napa Valley Cabernet Sauvignon were sourced from Edcora. The remaining 50% comes from Sugarloaf Mountain Vineyard in southern Napa. Being farther south gives this vineyard more time for its grapes to ripen, lending to the complexity and rich fruit flavors this ranch has become famous for.

TASTING NOTES:

The 2016 NAPA Valley Cabernet is a great expression of the Atlas Peak vineyards that it sprang from. Dense purple-hued with rich cassis, new leather, dark chocolate and savory herbs, this beauty is packed with fruit. This Cabernet is full bodied, with no hard edges, has a wonderful mid-palate and a great finish.
